

EPIC® H-A 10 SGRL-LB

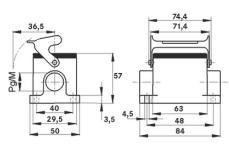

These connectors are attractive because of their compact housing.

The compact base housing has a single lever and 2 cable entries. The housing is suitable for rectangular connectors and for use in control systems, for example.

Info

For easy introduction of two cables Protection rating UL50E tested

Mechanical and plant engineering

Mechanical resistance

Robust

Waterproof

Benefits

Small and space-saving for narrow available space

Application range

Machine and equipment manufacturing Control engineering Electronic laboratory

Product features

Surface-mount base Single lever 2 cable entries
